2012 AMARONE DELLA VALPOLICELLA

89 points

Silver Medal - Highly Recommended

TASTINGS - June 3, 2016

Our Amarone wine comes from the Valpolicella district of Veneto and is produced with local grapes Corvina Veronese, Corvinone and Rodinella.

"Bright medium dark brown brick color. Bright, roasted aromas and flavors of mocha nuts, singed cherry tart... dryish medium-full body and warming, complex, medium-length toasty cedar and earth finish with well-integrated, crunchy tannins and moderate oak. A solid Amarone with nice table appeal."
