Authentic Italian Wines

FROM PIEDMONT

Barbera d'Asti DOC

Color:

A deep ruby-red color with a purple rim around the glass

Aroma:

Intense cherry and red berry fruit aromas persistently abound in the glass

Flavors:

Juicy and with characteristic acidity that is quite refreshing. This is typically good barbera from a solid vintage. Our wine also sees some oak aging to give it complexity and round out the tannins resulting in a soft and smooth finish

Usage:

This sumptuous, medium bodied wine is perfect to accompany grilled meats like lamb, red pasta dishes and seasoned cheeses.
